

Admissions Policy

Vision: Grow - Flourish - Achieve

Mission: Growing Flourishing Achievers through innovative and sustainable learning environment that fosters academic excellence with holistic development.

1. Introduction

The GEMS Founders School, Masdar City (GFA) admission policy has been developed as a part of the school's commitment to provide a supportive learning environment which enables all students who have chosen to study with us achieve their full potential. The school does not discriminate based on race, gender, additional needs, or nation of origin and seeks to accept all qualified students who apply. All applicants are required to provide a recent report from the previous school if applicable. Students may be required to undertake an assessment which will be reviewed by staff in the school. Members of the senior leadership team, including the Principal/CEO, may also review the application. In the event of an admissions request for a child with additional needs, the inclusion department will undertake a detailed assessment to determine the child's requirements and whether the school can meet these needs.

2. Aims and purposes

Admission policies and procedures have been established to make certain that students are appropriately placed at GFA, while maintaining the integrity and consistency of school policies and the application process. Proper placement will ensure that those students admitted benefit fully from the educational programming offered and that they will have a higher probability of a successful learning experience. The admissions team is committed to working together with families to determine the educational placement that is the best and most appropriate for each student.

Students entering foundation stage will be invited for a play-based assessment to determine school readiness.

For incoming students with Special Education Needs and Disabilities, the following measures are used to help assess the level of individual to ensure that appropriate provisions can be made for each student.

- Parent/Caretakers are asked to disclose any Special Educational Need that has been previously identified.
- The child's application needs to be accompanied by previous academic reports, previous provision plans, Individual Education Plans (IEP's) and any previous medical/psychological assessments that are relevant to the application.
- Foundation stage students are assessed in a group environment in order to take into account social abilities and school readiness. Students must be toilet trained and able to take care of their own personal cleanliness before joining the school.
- Failure to disclose any Special Educational Need that has been previously identified will result in cancellation of admission.

7. Registration / Acceptance Qualifications

The school may undertake screening and assessments to determine the right placement of an applicant. The school determines the educational enrolment criteria, and is in line with any government, ministry, or oversight entity of the country they are licensed in. This includes age requirements, school complete documents, academic standards, and being able to rightfully remain in the country.

Screening and assessment standards and process for students are determined by the admission committee and are necessary to complete the registration process for the school. After completing the steps, a student may be offered a seat, placed on the waitlist, or denied a place in the school.

Student acceptance is based on space availability and the following minimum criteria:

- Age appropriate for the requested year group
- Successful completion of the previous school year
- Admission/placement assessment results (when required)
- Previous school records (transcript, transfer certificate, recommendation letters, therapist letters, doctors' letters, and standardised assessment results as applicable)
- Full disclosure of information regarding the student's needs/previous provision and support

8. Non-Acceptance for Enrollment

The school reserves the right to limit student enrollment and/or withdraw student participation at any time. Non-acceptance of students may occur during the inquiry phase or assessment and registration phase, prior to the enrollment phase.

Student candidacy or membership can be withdrawn any time before/after enrollment is complete.

We recognise the importance of early identification of students with potential additional support needs in order to identify whether suitable, individualised intervention can be supplied within an inclusive mainstream school such as GEMS Founders School-Masdar City.

Students are not refused admission based only on their experience of a special education need or disability (SEND) and we give sibling priority for admission to students who experience SEND. Staff follow Knowledge and Human Development Authority guidance and procedures for scenarios where, very rarely, it may not be in the best interests of the child to be placed in at GEMS Founders School-Masdar City. This information will be shared with the ADEK, following expected procedures. We also do not require a formal diagnosis of need however a declaration of special needs, reports from therapists and previous schools support plan are important to ensure appropriate support and resources are given and considered on admissions. If special needs are not declared at admissions the correct support will not be put in and the parent contract terms will be followed.

9. Application Rollovers

Parents will need to respond to the registrar with their intentions to remain on the waitlist for the next year. After two years on a waitlist, a parent can only remain on the waitlist by reapplying and resubmitting the required documents.

10. Notification of Acceptance

Families will be notified (telephone or e-mail) in cases of acceptance or non-acceptance within 72 hours of taking a placement assessment, provided that complete applications and all required documentation has been submitted. If sibling considerations exist and a suitable place is available, calls or emails will be coordinated across the school. Siblings must go through the full application process, including undertaking an assessment. All acceptances falling out of school session will be considered conditional pending a placement assessment. Final approval will follow an assessment evaluation.

11. Enrollment Disclaimer

The school makes every effort to enroll qualified students who have fully completed the application process and who have met the academic acceptance requirements. The senior leadership team reserves the right to limit and block enrollment in line with the parent school contract. The Principal/CEO also reserves the right to supersede the enrollment policies and may do so, as it sees fit and/or deems necessary.

12. Enrollment and waiting list priority

The following is a priority list for students who meet admission requirements:

1. Emirati National Students
2. Children of staff who are working at the school
3. Students who have siblings attending the same school
4. Students from other GEMS Education schools
5. Students from other GEMS Education schools globally
6. Waiting list according to school criteria

13. Year Placement

The school reserves the right to place a student at the year level that best serves the educational needs of the child, regardless of the previous year completed or age of the child. If the school feels

that year demotion is in the best interest of the child, parents will be asked to sign a Demotion Form to confirm their support of the decision.

14. Class Placement

- English language fluency
- Educational needs

- Other

At no point will GFA accept requests for specific class placement or allow for classes to be swapped during the year.
